Venue: Courtyard by Marriott

GREETINGS

..... From Bhopal Institute of Gastroenterology

The practice of medicine is an art which is not inherent but comes with experience and we have to nurture it from time to time with knowledge, wisdom and perseverance, best way to achieve this is through regular academic interactions

Continuing with our tradition of having CME & workshop on our foundation day this time I invite you on 6th - 7th April for 9th Annual Conference of Bhopal Institute of Gastroenterology & Gastrocare Multispeciality Hospital.

This year theme is going to be GI & Liver Cancer. Though origin of most cancers is still an enigma, there are tremendous advances in the diagnosis and management. We have to discuss these to bring out simple protocols useful for day-to-day practice.

This conference is being organised by Gastrocare Foundation in association with, Indian Society of Gastroenterology (MP Chapter) & Supported by Indian Medical Association Greater Bhopal Branch, association of Physicians of India (Bhopal Branch) and Bhopal Surgeon Club at Hotel Marriott.

There will be lectures debates, panel discussions, symposium and quiz, in addition live workshop will show case new techniques and technology in managing GI & Liver Cancers we have invited a galaxy of speakers of national and international repute to enlighten US. Please be a part of this two-day academic feast.

Weather in bhopal is warm during april and there are lots of beautiful places to visit in the vicinity. We would be glad to assist you in case you want to extend your stay to get a feel of any of those destinations.

Team Gastrocare is eager to welcome you at bhopal.

*Regards
Dr. Sanjay Kumar
Organising Chairman*
